

Team Name: Dev Team

Report Number: 14

Reporting Week: Week of April 18th

Summary of work completed in prior week:

This week we divided up the remaining work to be done on the project. We still have to do the search functionality and setting up all the dynamic URLs. We also need to implement recipes on the user profile.

Summary of work planned for next week:

Next week we will be working on the search function quite a bit as we haven't done much on that yet. We also plan to have the dynamic URLs working and the requirements document started.

Open issues and action plan to resolve them: N/A

Project management summary

Team member	Tasks completed	Hours worked for week	Total hours
Peter Russell	Dynamic URL routing and debugging	5	41
